Hidden Warrior is more than just your average obstacle mud run. It's designed to be the experience of a lifetime. Packed into a 10km course, Hidden Warrior features some of the toughest mud obstacles in the business.

This exciting event will be held at the Calder Park Raceway on December 1st and 2nd 2012. Live music and DJ's will entertain throughout the duration of the Event in the enormous amphitheatre of the Thunderdome.

Hidden Warrior will be providing a unique experience for competitors, participants and spectators by utilising the natural features within the arena, the surrounding carpark and 4WD facility – all within 25 minutes of Melbourne CBD.

“Our mission has always been to produce something bigger than the event itself. Participating in Hidden Warrior proves you have strength, courage and drive to defy whatever life throws your way, pick it up and throw it back!”
